

CARE FOR OUR COMMON HOME

“ECO FAIR”

On Saturday 14th October from 10.30 am to 3.30 pm in and around the Minster.

It is being arranged by the Wimborne Companions of St Francis and the Minster Environmental group, in conjunction with the community of Hilfield Friary.

This is to celebrate our link with the Franciscan community at Hilfield, (see link below to find out more about their sustainable lifestyle), and to stimulate interest in environmental matters, our use of resources, sustainable living, waste disposal etc.

Various local organisations have been invited to set up stands on the Minster Green.

Lunches will be served in Church House providing (as far as possible) Locally grown, Organic, Animal Friendly and Fair Trade food.
