

INFORMAL SERVICES

Registered Charity 1138072

The aim of every service at the Minster is to help us all encounter God through his worship and his Word, and in the breaking of bread at Communion services.

Informal Services at 11.15 are generally led by Lay Worship Leaders, following a flexible format usually focussed on Bible readings. They offer relaxed worship with music in a more modern style by a small Worship Group. A time of open prayer gives you an opportunity to share any thanks or needs if you would like to, and you can discuss or ask questions over coffee at the end.

** On the first Sunday of each month you can also share in Holy Communion or receive a Blessing if you prefer.*
