

INFORMAL SERVICES

Registered Charity 1138072

The aim of every service at the Minster is to help us all encounter God through Word and Worship, and in the breaking of bread at Communion services.

Informal Services at 11.15 are led by Lay Worship Leaders, in a flexible format focussed on Bible readings. They offer relaxed worship with music in a more modern style by a small Worship Group. Open prayer gives you an opportunity to share thanks or needs if you wish, and you can discuss or ask questions over coffee at the end.

At services marked *you can also share in Holy Communion or receive a Blessing.
