The Real Easter Egg!

This year we are again planning to buy Easter eggs for those using Wimborne Food Bank and the Wimborne Food Supply. In these economically punishing times, use of both the Food Bank and Food Supply has risen greatly. This year the egg includes a new 24 page Easter story activity book (with a £200 prize competition).

The chocolate is Fairtrade and palm oil free, and the packaging is plastic free. Our aim is to raise £800 (for 170 eggs), through the generosity of members of the Minster and others. You can donate using the marked envelopes by the door of the Minster, or using the card readers in the Minster.

Dorset County Orchestra Spring Concert, Saturday March 16th

Experience the impressive Minster organ accompanied by a full symphony orchestra! The programme includes Saint-Saens 3rd Symphony (Organ Symphony), and is a wonderful opportunity to showcase the newly rebuilt Minster organ, with solo performances from David Warwick (organ) and Colin Davey, the Minister's Director of Music and Choirmaster (piano), with additional piano from Mathew Kelley. Our conductor Arturo Serna has performed widely, and currently conducts several first rate local orchestras including the Exeter Symphony Orchestra and Bath Choral Society. Orchestra leader Bärbel Glaser is a well known local violinist. See advertisement on p.9 for ticket details.

Donate to the Minster

If you would like to support the work of the Minster, you can scan this QR code, which will take you to our giving portal. You can also make donations in the Minster, using the Gift Aid envelopes or as a contactless payment on the terminal by the porch door. Thank you.

Rector's Ramblings: Moving Story

This March we are moving through two parallel stories.

As you read this article, we will be part way through Lent – the time that the church family sets aside for self-examination and spiritual reflection. How is my 'story' shaping-up? Where am I now with the I am? Lent is a spiritual journey that starts with Ash Wednesday. (I must mention, though, that the immediately preceding Shrove Tuesday is rather a big

feature at Wimborne Minster!). There are various opportunities for group study, things to take on and things to let go. One resolves to be penitent and try, being reflective, to do better, going forwards, for Christ's sake.

The weeks of Lent are punctuated with Mothering Sunday (10th March) – which we also know as Refreshment Sunday and Mother's Day – followed by Passion Sunday, Palm Sunday and then the Great Days of Easter – Maundy Thursday, Good Friday and Easter Day. Our churches will be marking all these events in the established ways but at the end we are forced to confront the fact of impending very fond farewells to Revd Suzie and Clint as they 'move

on' after Easter. Easter is a time for celebration of the amazing fact of the Resurrection of the Son of God. We are moved! Similarly, Jesus was soon to leave his disciples – praying that they might be one and take on His gospel message. We are going to feel something of that feeling and be tested as to how we can be church in a new way, as Revd Suzie moves away. It is a parallel story. Following in the Way of Christ moves us. It is a moving story! It is all too easy and comfortable to become overly focussed on our buildings and attached to our traditions, which after all are a cradle for us all. The Christian faith is not however to become bogged down in institutional fossilisation. *We are a people moved by our love of Christ, that urges us on* – we are a movement! (Have a look at the various translations of 2 Corinthians 5:14.) Revd Suzie came to us from Wareham having moved there from Salisbury some twelve years ago. Now she moves back home, and we are all the better for having shared deeply in her journey. She travelled with us, often at the front, but also in our midst and sometimes at the flanks.

She will leave so much behind for us to treasure and yes there will be a significant hole to fill. The bible story tells us of what happened after Easter – in essence Pentecost. New things came to fill the void, things moved on. We too cannot stand still. We have to discern how the mission of Christ can be advanced and how we can *Make Jesus Known* together as a team of movers and shakers for Him. We are a very talented and gifted people. We have every reason to be confident that the Lord travels with us. We can serve the needs of our communities. We can be *salt and light* to them. I have come to see that we are blessed with a capable team of clergy, LLMs, LWLs, LPAs,* Wardens, PCC Officers, staff and faithful Laity. That excites me! As Rector I have already begun the process of taking us forwards, with your help, for which I am very grateful. There will

be a redistribution of roles and tasks and we will need to work out what will work best. I am praying this Lent that we may not be a *giving up people* but rather a *taking on people* (hints of a Lenten sermon herein).

As Christ prayed that his followers might be one, so we need to consult one another about how our large benefice with its seven churches and chapel might best be reorganised – both now and into the future. Please pray for this. Please pray for all the ministry, work and plans that are proceeding.

Praise God, we will have a new helper in our vineyard and that is Marianne Mangham, who will be ordained as a deacon and come to serve as an Assistant Curate from 29th June. Marianne will minister across the whole benefice, and we can look forward to her moving to Wimborne, arriving in the late Spring. She introduces herself below.

Nothing stands still along the Christian Way – we are a movement; we have a moving story to proclaim – the Lord being our helper. Let's get moving! Every Blessing in Jesus' name.

Andrew

• LLM = Licensed Lay Minister, LWL = Lay Worship Leader, LPA = La Pastoral Assistant

Hello everyone, here is a little about me: My faith journey has taken me through the Anglican traditions of Anglo-Catholic, Evangelical, Charismatic and Traditional middle of the road worship. My current context has been as an ordinand and LWL in a rural context of 16 parishes churches, and I have undertaken both standard and rural pathway modules in my theological training. I am blessed to have three adult children: a mental health nurse, a secondary school teacher and the youngest adult who is just completing her education in creative design. My original background was in management accounting, where I was employed by businesses, a large town church and various Christian charities. Alongside this I volunteered as a bereavement support listener which then flourished into studying professional

Psychotherapeutic Counselling qualifications. This led to specialising in counselling children and adolescents and training adults. Over the latter years I have been employed full time in both adult and children's counselling services within the NHS, Schools, FE Colleges, CAMHS and Hospices. In the Church Calendea, as we immerse ourselves in Lent, looking forwards to our need for the cross and the celebration of our salvation in Christ. I am digging deeply into a Durham University module entitled 'Christian Faith and Ethical Living'. The module's aim is to help me articulate a critical appreciation of the ways faith in God, revealed in Jesus, as Father, Son and Spirit inform and shapes the lives of communities and individuals. My studies are ongoing, my final reports are being compiled, but my hope is that I will be continually shaped during the final few months of my ordination training in preparation for the Joy of being formally introduced as a curate to you all in due course. I send you all prayers, as I look forward with anticipation to the months ahead, to the joy of getting to know you all better and working alongside you all, in resurrection hope.

Marianne

Station to Station - Experience Easter 2024

No, it's not when buses replace trains, it's *Experience Easter!* From 11th to 15th March, Wimborne Minster will be the location for a depiction of Holy Week happenings, from Palm Sunday onwards. Six stations will portray events in the final week of the life of Jesus, culminating in the joy of Easter Sunday.

Four local churches collaborate in this Lent project for Middle and First School pupils. The children take part in activities which help them relate to the meaning and relevance of the events of Palm Sunday, Maundy Thursday, Good Friday and Easter Sunday. Alongside teachers and helpers from the schools, volunteers from The Lantern, St. John's, St. Michael's and the Minster present the tableaux and assist the children to participate. We are delighted that this year we are able to offer a couple of community groups the opportunity to take part.

The project is funded by the participating churches and we are grateful to the Diocese of Salisbury for a grant towards costs. The Minster will still be open to the public during the week. The way the children contribute their own responses and emotions makes *Experience Easter* a special project for the volunteers. We hope you might hear from one of them the impact it has.

Saying Goodbye to Revd Suzie

At Rev Suzie's last service at the Minster, on Sunday 11th February, the Rector preached on the theme of 'moving on' (see his letter on p.10), following the example of the prophets Elijah and Elisha.

The Eucharist was followed by a shared lunch in Church House, when we all had an opportunity to thank Suzie for her nine years in the benefice, and wish her well for her new post in Salisbury. We have benefited so much from her sermons and the warmth of her care and engagement with us. The Rector presented Rev Suzie with a card signed by members of the Minster congregation, flowers and a present. She recalled how much she learned from Vanessa Herrick, the previous Rector, and the challenges of

being in charge during the vacancy. The Village churches are holding their own farewell event for her on Palm Sunday. In the photo: the Rector, Rev Suzie, and her husband Clint. (Photo: Beatrice Dopita)

Minster Big Bird Watch in God's Acre

Each year the God's Acre team and supporters take part in the national Bird Watch at the end of January. Over an hour, they record the birds that actually land in the garden, and results are recorded on the RSPB website. This year, not surprisingly, the rooks are by far the most numerous birds in God's Acre; they nest high in the mature chestnut trees of the churchyard.

Although results are still being sent in, the most frequently recorded birds in Dorset are the house sparrow, blue tit and woodpigeon. The RSPB has detailed advice on encouraging and feeding wild birds at <https://rspb.org.uk> as well as suggestions for supporting other wildlife such as frogs and butterflies.

Visit of Archbishop Samuel Peni Enosa

The Archbishop of Western Equatoria and Bishop of Yambio, Samuel, spent six days in the Wimborne area, following an ecumenical pilgrimage to Rome and Canterbury that he had taken part in. He stayed in Chalbury with Robin Sadler, of the Sudan Medical Link, and visited several local Church of England schools. At St Michael's Middle School pupils were very engaged with his talk and asked many questions.

He came to coffee at the Methodists, and visited Lunch and Chat, talking

briefly with those present. On Sunday, the sermon at the 9.30 service was replaced by a Q&A session with the Archbishop conducted by the Rector. South Sudan is preparing for crucial elections, and Archbishop Samuel is chairing discussions between the two main parties, to ensure the elections run peacefully.

You can see the discussion on the Minster's Youtube channel <https://www.youtube.com/watch?v=A4GNUEJd3U4> starting at minute 30.

Pancake Race on Shrove Tuesday

On another wet Shrove Tuesday, eager crowds lined up to sign in for the race, once again held inside the Minster; there were nearly 100 entrants. The volunteer organisers, coordinated by Anthony Oliver, were joined by the Mayor, Diann March, and Jacquie Hall, Town Crier of Wareham, standing in for Wimborne's Chris Brown. Toddlers ran down the centre aisle first, followed by the three classes of school-age children who ran a circuit. Winners were Gino Earl (Toddlers), Agnes Sickley (Reception), Harrison Homer (Middle School), and Upper School (Esther Davey, one of the Minster's Head Choristers).

Savills, as well as a group of friends from Canford School, all running as individuals. Overall winner was Charlotte Kersey from Canford School, who keeps the John Loader Memorial Cup for a year, and was also presented with a set of mugs on behalf of the Viewpoint and Dorset View Magazines. Two runners-up received a voucher each from No 9 On the Green.

Wheelchair racing involved contestants being timed as they were pushed up and down the centre aisle, and there were entries from Burwood Nursing Home (Broadstone), Streets Meadow and Hyacinth House. Winner Jean Sibley, pushed by Charlotte Sloyne, received a large bag of wild bird seed, donated by the Wimborne Pet Centre. Latecomers from Aranlaw House Care Home (Poole) enjoyed a race of their own, followed by a picnic. The 40 adult competitors included the Rector and teams from Teachers Building Society, MJP Law and

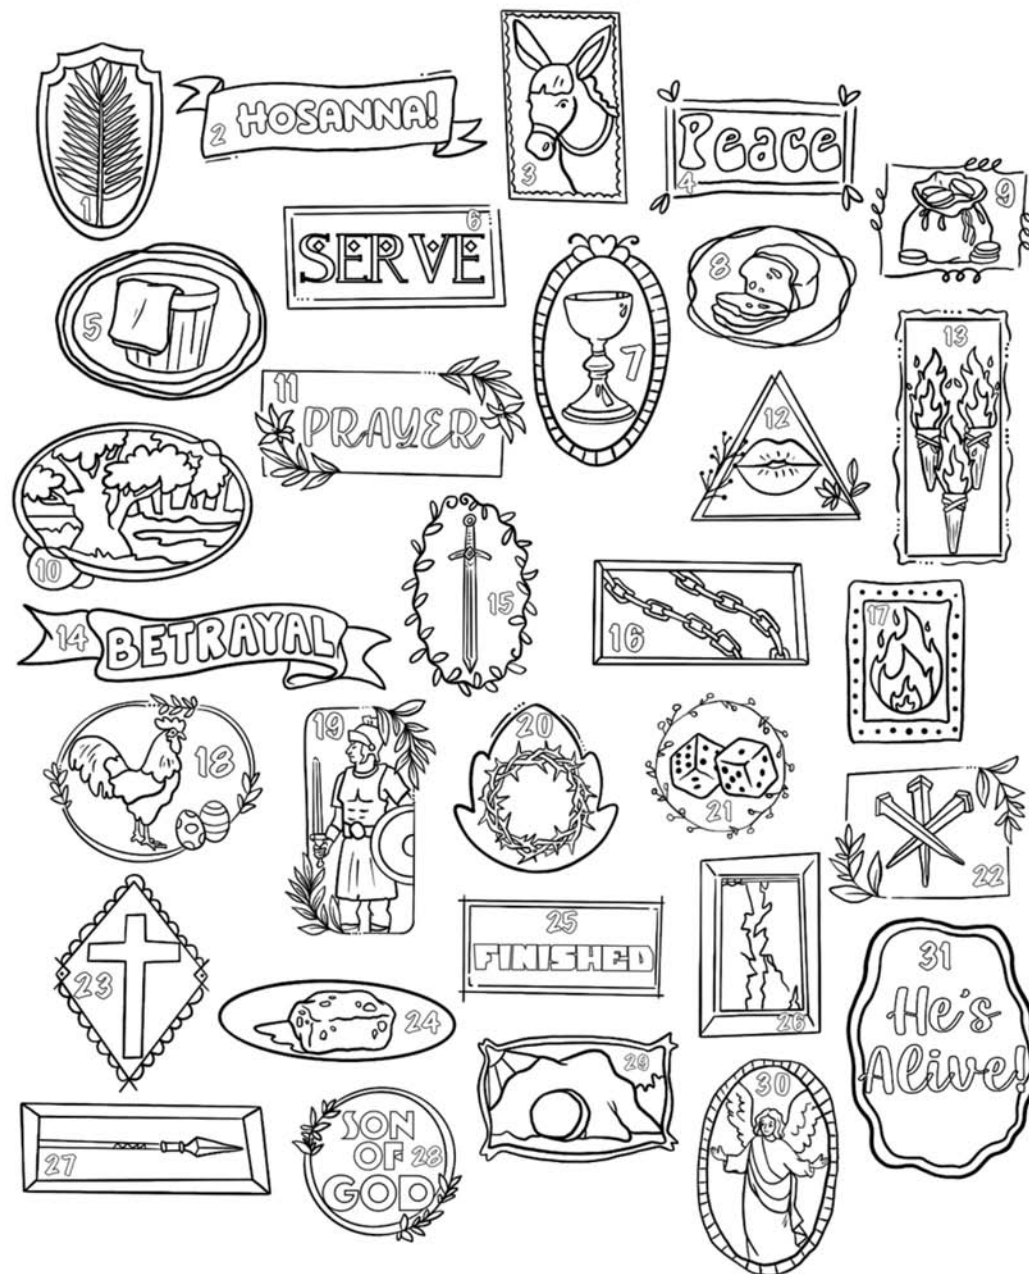

Meanwhile, refreshments and children's crafts were set up in St George's by Claire Lehmann, and were well used by young families. Many thanks to all the volunteers who registered competitors and ensured their safety, and to all the sponsors of prizes, who make this event possible. Thank you too to Tom Scrase, who again took some great photos of the action! Additional photos on these pages by Julia Rosser.

We are already looking forward to next year, and hoping to break the run of wet Pancake Days.

On the Sunday before Shrove Tuesday, the choristers ran some practice races in their robes, photographed by Russell Sach (see cover); a couple of the photos appeared in the national press online.
