FOR THE YEAR ENDED 31 DECEMBER 2024

Activities of the Council

The activities of the Parochial Church Council are outlined in the Reports presented for The Annual Parochial Church Meeting Booklet. This can be viewed or downloaded from the website www.wimborneminster.org.uk.

Achievements and performance

The Minster was generally open from 10am – 4pm Monday to Saturday. The pattern of worship of four services on Sunday (8:00, 9:00, 11:15am and 6:30pm) and a mid-week service (11:00am) together with many special worship services has attracted new worshippers.

Sunday worship at 9:30am (and certain occasional services) have been broadcast online via YouTube, with an average of 35 households attending live and further views thereafter.

Events and special seasonal services took place together with Occasional Offices (Baptisms, Weddings and Funerals).

We were particularly encouraged by large attendances at seasonal services, and the many concerts Occasional Offices and events.

We were able to fund substantial work with young choristers and outreach ministries to families.

Electoral Roll: The number of persons on the electoral roll as 31 December 2024 was 331

Attendance at major services increased compared to 2023:

Easter Day	418
Advent Carol Service	251
Christmas Carol Service	382
Crib Service	290
Christmas Eve, Evening	319
Christmas Day Services	282

Financial review

The charity trustees have assessed the major risks to which the PCC is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

Constitution of the Council

The Parochial Church Council is a corporate body established by the Church of England. The PCC operates under the Parochial Church Council Powers Measure. The PCC was registered with the Charity Commission with effect from February 2010.

Role of the Council

The PCC have considered the Charity Commission's guidance on public benefit and the advancement of religion. The PCC co-operates with the Rector in promoting in the parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. The PCC sees the Minster's mission as witnessing steadfastly to the Christian faith and proclaiming the gospel through prayer and preaching, through service to the community of Wimborne and to visitors to the town, through service to those in need beyond the town of Wimborne and through careful stewardship of the Minster's heritage of excellence in its worship and in its fabric. The Minster also contributes to the spiritual and musical education of young people in the local area by inviting them to take part in the Choir, Experience Easter in the Minster and through Open the Book.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

Appointment, induction and training of trustees of the Council

The trustees of the PCC are elected in accordance with the Church Representation Rules. Two trustees may be co-opted for a period of one year. Members of the clergy and churchwardens are ex-officio trustees of the PCC and all committees. Help and familiarisation is available through discussions with the Rector and Churchwardens, and the Treasurer provides training in understanding PCC accounts where necessary.

Organisation of the Council

In order to discharge its duties, the PCC appoints a number of committees which meet on a regular basis. It also employs staff to carry out various functions. The PCC generally meets 6 times per year.

The main PCC committees are: Standing and Fabric. Further committees meet as necessary; Minster Environment Group, Fundraising and Events, Worship and Music, Outreach and Minster Green Charities Fair.

The PCC is represented by 5 members at Deanery Synod and 1 member at Diocesan Synod.

The PCC takes this opportunity to thank the employees of the Minster for the fine manner in which they perform their duties throughout the year in support of the Minster's aims, to witness to Jesus Christ and always provide a warm and welcoming environment at the Minster.

Risk Management

The PCC has considered and assessed the major risks to which they may be exposed and are satisfied that measures are in place to deal with major risks should they occur. There is regular communication with the Minster's insurers, other Major Churches and the local authority on this subject. Action has been taken on matters of security in light of the worldwide activity against faith groups. An annual risk review is carried out as part of the insurance renewal process and specific Risk Assessment reviews are carried out before new enterprise starts.

The trustees' report was presented to the Parochial Church Council for their approval.

INDEPENDENT EXAMINER'S REPORT

TO THE CHARITY TRUSTEES OF THE PAROCHIAL CHURCH COUNCIL OF THE ECCLESIASTICAL PARISH OF ST CUTHBURGA, WIMBORNE MINSTER

I report to the charity trustees on my examination of the financial statements of The Parochial Church Council of The Ecclesiastical Parish of St Cuthburga, Wimborne Minster (the PCC) for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity trustees of the PCC you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the PCC's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the PCC's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the PCC as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

The Parochial Church Council of The Ecclesiastical Parish of St Cuthburga, Wimborne Minster is a registered charity which operates under the Parochial Church Council Powers Measure.

1.1 Accounting convention

The financial statements have been prepared in accordance with the PCC's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The PCC is a Public Benefit Entity as defined by FRS 102.

The PCC has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the PCC.

The financial statements have been prepared under the historical cost convention except for investment assets which are shown at market value. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include funds of church groups that owe an affiliation to another body nor those that are informal gatherings of church members.

1.2 Going concern

At the time of approving the financial statements, the charity trustees have a reasonable expectation that the PCC has adequate resources to continue in operational existence for the foreseeable future. Thus the charity trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are general funds which can be used for PCC ordinary purposes.

The purpose of any restricted funds is noted in the accounts. Any balance unspent at the end of the year must be carried forward as a balance on that fund.

Endowment funds are subject to specific conditions, the capital of which must be maintained by the PCC. Only income arising from investment of the endowment may be used as either restricted or unrestricted funds depending upon the purpose for which the endowment was established.

1.4 Incoming resources

Voluntary income and capital sources

Income is recognised when the PCC is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the PCC has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

Legacies are recognised on receipt or otherwise if the PCC has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Other ordinary income

Rental income from Church House is accounted for by reference to letting date.

Fees due are accounted for on an event by event basis.

Car park rent is recognised on an accruals basis.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding or constructive obligation on the PCC. The diocesan parish share is accounted for when due. Amounts received specifically for mission are dealt with as restricted funds. All other expenditure is generally recognised when it is incurred and accounted for gross.

The PCC operates a defined contribution pension scheme and contributions are charged against income on an accruals basis for the year in which they are payable to the scheme.

1.6 Tangible fixed assets

Consecrated property and moveable church furnishings

Consecrated and beneficed property is excluded from the accounts by s.10(2)(c) of the Charities Act 2011. Moveable church furnishings held by the Rector and churchwardens on special trust for the PCC, and which require a faculty for disposal, are accounted for as inalienable property unless consecrated. They are listed in the Church's inventory which can be inspected. For inalienable property acquired prior to 2001 there is insufficient cost information available and therefore such assets are not valued in the accounts. Items acquired after 1st January 2001 are capitalised and depreciated in the accounts over their anticipated useful economic life.

All expenditure incurred in the year on consecrated or beneficed buildings, individual items under £750 or on the repair of moveable church furnishings acquired before 1st January 2001 is written off.

Other fixtures, fittings and equipment

Equipment not considered to be inalienable property is capitalised and depreciated on a 15% reducing balance basis per annum. Generally, items less than £750 are written off in the period of acquisition.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

(Continued)

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the PCC reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term liquid investments with original maturities of three months or less.

1.10 Financial instruments

The PCC has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the PCC's balance sheet when the PCC becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the PCC's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the PCC's accounting policies, the charity trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
