

INFORMAL SERVICES

Registered Charity 1138072

The aim of every service at the Minster is to help us all encounter God through his worship and his Word, and in the breaking of bread at Communion services.

Informal Services are generally led by Lay Worship Leaders on the Sundays listed below, offering relaxed worship in a more modern style with music led by a small Informal Worship Group.

11.15 Informal Services follow a flexible format focused on Bible readings. They are inter-active: you can discuss or ask questions over coffee at the end, and a time of open prayer gives you an opportunity to share any thanks or needs if you would like to do so.

*At services marked * you can also share in Holy Communion or receive a Blessing if you prefer.*
